Yes! I want to help preserve Foster's Pond for future generations!

Membership connects you to the Foster's Pond community and allows the Foster's Pond Corporation to exist. But dues are not enough for us to do all the work that needs to be done to protect Foster's Pond. It takes an average of \$25,000 to \$30,000 a year to maintain the dam, control invasive weeds, pay for inspections and licenses, and continue our lake management program. Instead of raising money for each new crisis, we ask supporters to make an annual contribution of \$250 (or more) to help us preserve Foster's Pond for future generations.

Please mail in the form below, or contribute on line at www.fosterspond.org. Thank you for your generosity!

If you include your email address, you will be added to our list for periodic updates on news affecting Foster's Pond. Your e-mail address will not be furnished to any other organization for any purpose whatsoever.

The Foster's Pond Corporation is tax-exempt under Section 501(c)(3) of the Internal Revenue Code. **Both membership dues and any additional contribution are tax-deductible!**
